Personal data collection statement

Income recognises its obligations under the Personal Data Protection Act 2012 (PDPA) which include the collection, use and disclosure of personal data for the purpose for which an individual has given consent to.

The personal data collected by Income includes all personal data provided in this form, or in any document provided, or to be provided to us by you or your insured persons or from other sources, for the purpose of this insurance application or transaction. It includes all personal data for us to evaluate or administer this application or transaction. For example, if you are applying for an insurance policy, in addition to the personal data provided in the application form, the personal data will also include any subsequent information we collect on health or financial situation, or any information that is necessary for us to decide whether to insure and on what terms to insure, such as test results, medical examination results, and health records from medical practitioners or other insurance companies.

You may not alter any of the wording in this ‘Personal data collection statement’. Any attempt to do so will be of no effect.

1. Purpose of collection

We may collect and use the personal data to:

For example, you may withdraw your consent for your personal data to be used for marketing purposes, and this withdrawal will not affect our ability to provide you with the products and services that you asked for or have with us.

But if you withdraw your consent for us to use your personal data for your insurance matters, this will affect our ability to provide you with the products and services that you asked for or have with us, including preventing us from keeping your insurance cover in force or properly assessing and processing your claim. Withdrawing such consent will require you to surrender or terminate all your policies with us.

4. Access and correction rights

You can request access to any personal data of yours that we have, and request to know how it is being used and disclosed for the last 12 months to the extent your right is allowed by law. Declaration and authorisation

I will tell you as soon as possible if there is any change in the state of my health or the insured's health or if I or they plan to get any medical consultation, investigation or treatment between the date of this application and before the date you issue this policy. You may add special terms to the policy according to the information provided.

The answers in this application are true, correct and complete. I accept full responsibility for them, whether written by me or by anyone else on my behalf. I have not withheld any information. I agree that this application and other written answers, statements, information or declarations made by me or on my behalf will form the basis of the contract of insurance between me and you. If anything is untrue, incorrect or incomplete, the insurance policy will not be valid.

I confirm that I understand and agree to the 'Personal data collection statement'.

I agree that your legal responsibility will only begin when you accept this application and I have paid the first premium. I agree and authorise:

- a any medical source, insurance office or organisation to release to you; and
- b you to release to any medical source or insurance office;
any relevant information to do with me or the insured whether you accept my application or not. A photocopy is valid as an original copy.

I understand that it is usually not a good idea to replace an existing investment product (for example, a unit trust) with a new investment product, whether from the same or a different financial institution.

I have been given the following documents and had them explained clearly to me.

- a Your Guide to Life Insurance or Your Guide to Health Insurance (or both)
- b Product Summary
- c Benefit Illustration

I confirm that the entire marketing and selling process for my proposed insurance application has been carried out in Singapore.

I agree that the policy will be entered in the Register of the Singapore policies.

I am not an undischarged bankrupt and no bankruptcy application (including any statutory order) or order has been made against me.

I also want to apply for membership of Income and if accepted, I agree to keep to your by-laws.

I agree that if I do not reveal any significant fact (which would have affected your decision to accept my application on standard terms) in this application, any policy issued may not be valid. This includes any fact I may not be sure is significant, and also any information I have given to the adviser but was not included in the application.
