## Declaration and authorisation

I will tell you as soon as possible if there is any change in the state of my health or the insured's health or if I or they plan to get any medical consultation, investigation or treatment between the date of this application and before the date you issue this policy. You may add special terms to the policy according to the information provided.

The answers in this application are true, correct and complete. I accept full responsibility for them, whether written by me or by anyone else on my behalf. I have not withheld any information. I agree that this application and other written answers, statements, information or declarations made by me or on my behalf will form the basis of the contract of insurance between me and you. If anything is untrue, incorrect or incomplete, the insurance policy will not be valid.

I confirm that I understand and agree to the 'Personal data collection statement'.

I agree that your legal responsibility will only begin when you accept this application and I have paid the first premium. I agree and authorise:

- a any medical source, insurance office or organisation to release to you; and
  - b you to release to any medical source or insurance office;
- any relevant information to do with me or the insured whether you accept my application or not. A photocopy is valid as an original copy.

I understand that it is usually not a good idea to replace an existing investment product (for example, a unit trust) with a new investment product, whether from the same or a different financial institution.

I have been given the following documents and had them explained clearly to me.

- a Your Guide to Life Insurance or Your Guide to Health Insurance (or both)
- b Product Summary
- c Benefit Illustration

I confirm that the entire marketing and selling process for my proposed insurance application has been carried out in Singapore.

I agree that the policy will be entered in the Register of the Singapore policies.

I am not an undischarged bankrupt and no bankruptcy application (including any statutory order) or order has been made against me.

I also want to apply for membership of Income and if accepted, I agree to keep to your by-laws.

**I agree that if I do not reveal any significant fact (which would have affected your decision to accept my application on standard terms) in this application, any policy issued may not be valid. This includes any fact I may not be sure is significant, and also any information I have given to the adviser but was not included in the application.**
