Important notes

- 1 If you pay every three months, every six months, or every year, you will get a discount off your premium. You may want to check with your insurance adviser what the premiums are under the different payment frequencies before you decide to change. There are no discounts for investment-linked policies, such as Ideal and VivoLink. Certain traditional life policies such as DreamSaver also do not have discounts.
- 2 If you are changing to a less frequent payment (for example, from every month to every year), we will tell you what the premium will be so you can make the change.
- 3 If your policy is on GIRO, we will arrange for the GIRO payment between the 23rd of the month and the 8th of the next month. During this time, no changes to the premiums can be made. If we receive your request during this time, we will deal with it after your GIRO payment is over.
