It includes all personal data for us to evaluate or administer this application or transaction. For example, if you are applying for an insurance policy, in addition to the personal data provided in the application form, the personal data will also include any subsequent information we collect on health or financial situation, or any information that is necessary for us to decide whether to insure and on what terms to insure, such as test results, medical examination results, and health records from medical practitioners or other insurance companies.

For example, you may withdraw your consent for your personal data to be used for marketing purposes, and this withdrawal will not affect our ability to provide you with the products and services that you asked for or have with us.

But if you withdraw your consent for us to use your personal data for your insurance matters, this will affect our ability to provide you with the products and services that you asked for or have with us, including preventing us from keeping your insurance cover in force or properly assessing and processing your claim. Withdrawing such consent will require you to surrender or terminate all your policies with us.

iv Access and correction rights

Declaration and authorisation

I will tell you as soon as possible if there is any change in the state of my health or the insured's health or if I or they plan to get any medical consultation, investigation or treatment between the date of this application and the date you issue the legal document to reinstate the policy.

The answers in this application are true, correct and complete. I accept full responsibility for them, whether written by me or by anyone else on my behalf. I have not withheld any information. I agree that this application and other written answers, statements, information or declarations made by me or on my behalf will form the basis of the reinstatement of the policy.

I confirm that I understand and agree to the 'Personal data collection statement'.

I understand and agree that the reinstatement:

- a depends on you accepting my application and I will pay any costs involved in providing the medical evidence you need;
- b if accepted, may have terms, conditions and exclusions attached to it; and
- c is successful only when you accept and approve my request in writing and I have paid the premiums (and interest, if applicable) in full.

For the purposes of policy administration including processing this reinstatement, and deciding whether you insure or continue to insure me for my insurance applications or policies,

- 1 I authorise:
 - a any medical source, insurance office or organisation to release to you; and
 - b you to release to any medical source or insurance office; any relevant information to do with me or the insured whether you accept my application or not. A photocopy is valid as an original copy.
- 2 I am authorised to disclose information (including personal health information) about my spouse and/or dependants if they are insured under the insurance applications or policies.

As the policyholder or assignee, I understand and agree that:

- 1 This application is based solely on my own judgement and decision. I may be subjected to greater investment risks and that the value of the fund(s) may be volatile and fluctuate from time to time;
- 2 All investment decisions are made independently by me, as the policyholder or assignee, after duly considering and understanding the investment fund(s), benefits and risks.
- 3 The information contained in this application is not intended as financial advice and shall not be relied on as such by me. I am responsible to ensure the suitability of the fund(s) selected.
- 4 I have been advised to read and understand the corresponding Product Highlight Sheet(s), Fund Report(s) or Monthly Fund Fact Sheet(s) available from www.income.com.sg with respect to the relevant investment fund(s) before deciding whether to invest or transact in such fund(s). Where appropriate, I understand that I can cease to proceed with this application at any time before the submission of this form and seek financial advice from a qualified Income adviser, or seek independent legal, tax and/or other professional advice.

Applicable to Takaful Fund Only:

I further understand and agree that no part of my premium contribution shall be used for the establishment of Tabaruu or risk fund for the purpose of paying the difference between the minimum sum assured and the cash surrender value of the policy which I intend to subscribe. Such fund is being financed solely by the insurer's resources and if a payment is made under such circumstances, I shall regard this as donation from the insurer.

I agree that if I do not reveal any significant fact (which would have affected your decision to accept my application on standard terms) in this application, any legal document to carry out the reinstatement that is issued may not be valid. This includes any fact I may not be sure is significant, and also any information I have given to the adviser but was not included in this application.

Appendix – Defined Terms

Note: These are selected summaries of defined terms provided to assist you with the completion of this form. This can be found at the OECD automatic exchange of information portal.

Term	Description
Account Holder	The term “Account Holder” means the person listed or identified as the holder of a Financial Account. A person, other than a financial institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the Account Holder. In these circumstances, that other person is the Account Holder. For example, in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder. An Account Holder for purposes of this self certification may refer to a Proposer (eventually the Policyowner), Controlling Person, Beneficial Owner, Assignee, Trustee, Beneficiary under a Trust or a Trust Nominee named under section 49L of the Singapore Insurance Act (Chapter 142).
FATCA	FATCA stands for the U.S. provisions commonly known as the Foreign Account Tax Compliance Act, which were enacted into U.S. law as part of the Hiring Incentives to Restore Employment (HIRE) Act on March 18, 2010. FATCA creates a new information reporting and withholding regime for payments made to certain non-U.S. financial institutions and other non-U.S. entities.
Financial Account	A Financial Account is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.
Participating Jurisdiction	A Participating Jurisdiction means a jurisdiction with which an agreement is in place pursuant to which it will provide the information required on the automatic exchange of financial account information set out in the Common Reporting Standard and that is identified in a published list.
Entity	The term “Entity” means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.
Control	Control over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g. 25%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person or persons are identified as exercising control of the Entity through ownership interests, the Controlling Person of the Entity is deemed to be the natural person who holds the position of senior managing official.
Controlling Person(s)	Controlling Persons are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity (“Passive NFE”) then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term “beneficial owner” described in Recommendation 10 and the Interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012). In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust. Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust. In the case of a legal arrangement other than a trust, “Controlling Person(s) means persons in equivalent or similar positions.
Reportable Account	The term “Reportable Account” means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.
Reportable Jurisdiction	A Reportable Jurisdiction is a jurisdiction with which an obligation to provide financial account information is in place and that is identified in a published list.
Reportable Person	A Reportable Person is an individual (or entity) that is tax resident in a Reportable Jurisdiction under the laws of that jurisdiction. The Account Holder will normally be the “Reportable Person”; however, in the case of an Account Holder that is a Passive NFE, a Reportable Person also includes any Controlling Persons who are tax resident in a Reportable Jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.
TIN (including “functional equivalent”)	The term “TIN” means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the OECD automatic exchange of information portal. Some jurisdictions do not issue a TIN. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a “functional equivalent”). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.
