Section F: Client Acknowledgement (upgrading/downgrading your Integrated Shield plan)

Your adviser is required to explain the following to you if you are upgrading/downgrading your Integrated Shield plan. (This does not apply for direct marketing.)

 - If I am switching to this plan and I have existing medical conditions that are currently covered by my existing plan, I am aware that I may lose coverage for those conditions

I authorise the Central Provident Fund Board (the "CPF") to deduct premium(s) due for the Life/Lives to be Insured as named under this application (the "Life/Lives to be Insured") from my Medisave account (including any new Medisave account(s) which I may have arising from obtaining Singapore Permanent Resident status or otherwise) in accordance with the provisions of the Central Provident Fund Act (Chapter 36), the MediShield Life Scheme Act (Act No. 4 of 2015) and the respective subsidiary legislation made thereunder and as amended from time to time and subject to all terms and conditions as may be imposed by the CPF from time to time for the purposes of the Private Medical Insurance Scheme (or by such other name as it may be referred to from time to time) (PMIS).

I authorise the CPF to disclose information/seek information on a confidential basis to/from any Insurer(s) for the PMIS in respect of the insurance cover issued following this application. Such information includes but is not limited to:

A photographic copy is valid as an original copy.

I declare that my adviser has advised me/us that:

All Singapore Citizens and Permanent Residents will be covered by MediShield Life. An Integrated Shield Plan comprises two parts – a MediShield Life portion provided by the Central Provident Fund Board (CPF Board) and an additional private insurance coverage provided by Income. As Integrated Shield Plan premiums are higher than MediShield Life premiums, there should be sufficient monies in my/our Medisave account(s) or I/we should have enough cash to pay for MediShield Life premiums on an ongoing basis before I/we consider purchasing an Integrated Shield Plan.

I agree that the product summary has been explained to me to my satisfaction by my adviser. (This does not apply for direct marketing.) A copy will be provided together with my policy document.

I am aware that I can ask for a copy of Your Guide to Health Insurance from my adviser. (This does not apply for direct marketing.) Or, I can download one at www.income.com.sg.

I can ask for advice from an adviser before I sign this application. I will make sure that this product is appropriate to my financial needs and insurance objectives. (This applies for direct marketing.)

I confirm that I am not an undischarged bankrupt, that no statutory demand has been served on me and no bankruptcy order has been made against me. This application is governed by and interpreted according to the laws of the Republic of Singapore.

WARNING:

You must give all the facts truthfully when you make this application. If you fail to reveal any material information in this application, you may not receive any benefits under your policy or we may declare your policy as void or add extra terms on your policy. If you are in doubt as to whether a fact is material, you should reveal it anyway. This includes any fact which you may have given to the adviser but is not written in this application. Please check to make sure you are fully satisfied with the information in this application.

You may not alter any of the wording in this proposal form. Any attempt to do so will be of no effect.

Product summary – IncomeShield Standard Plan

Product information

IncomeShield Standard Plan

This is a hospital and surgical plan that helps you reduce the financial burden on your family if you, or your family members who are covered, have to stay in hospital. Depending on the plan you have chosen, we will pay the reasonable expenses for the insured person's necessary medical treatment according to the limits of compensation set out in the benefits schedule below.

Integration with MediShield Life

If the insured person is a Singapore Citizen or a Singapore Permanent Resident, the insured person will be jointly insured under MediShield Life which is run by the Central Provident Fund Board and governed by the Central Provident Fund Act (Chapter 36) and the MediShield Life Scheme Act (Act No.4 of 2015) and any subsidiary legislation made under such acts (the "act and regulations"). Upon renunciation of your Singapore Citizenship or Singapore Permanent Resident status, your policy will continue as a non-integrated plan.

Comparison of Benefits between MediShield Life and IncomeShield Standard Plan

An IncomeShield Standard Plan policy is made up of two parts – a MediShield Life portion provided by the Central Provident Fund Board (CPF Board) and an additional private insurance coverage portion provided by Income. The full IncomeShield Standard Plan premium comprises the MediShield Life premium and your IncomeShield Standard Plan's additional coverage premium.

In the event of hospitalisation/medical treatment, your final payout will comprise the MediShield Life payout and the IncomeShield Standard Plan coverage payout. For example,

- if the payout computed based on the full IncomeShield Standard Plan benefits is \$2,000, and the payout based on MediShield Life benefits is \$500, the policyholder will receive \$2,000, which comprises \$500 from the MediShield Life payout, and \$1,500 from the IncomeShield Standard Plan additional coverage payout.
- In the case where the payout based on MediShield Life benefits is higher than that from the IncomeShield Standard Plan benefits, the eventual payout will be based on the MediShield Life benefits.

What you will need to pay

You may use your Medisave to pay the yearly premium for the IncomeShield Standard plan. If the insured is a Singapore Citizen or Permanent Resident, the MediShield Life portion of the premium is fully payable by Medisave. For the remaining portion of the premium for additional private insurance coverage, the amount that can be paid by Medisave is subject to the Additional Withdrawal Limits (AWLs). If the insured is a foreigner whose plan does not have a MediShield Life component, the Medisave Withdrawal Limits for the plan's full premium is equivalent to the combined Standard MediShield Life premium amount and AWLs that can be used for Singapore Citizens and Permanent Residents. The premium rate is based on the insured person's age at their next birthday, and will increase when the insured person reaches the next age band. You will also need to pay the deductible and co-insurance that is not covered by your IncomeShield Standard Plan.

- ¹ Your MediShield Life premiums may differ depending on your premium subsidies, premium rebates and whether you need to pay for the Additional Premiums. The net MediShield Life premium payable after accounting for these is fully payable by Medisave.
- ² This refers to the cash outlay if you are paying by Medisave (assuming you have sufficient monies in your Medisave account). If you are not paying by Medisave, your total cash outlay will be equal to MediShield Life Premiums + Premiums for Additional private insurance coverage. For example, for an insured aged 30 (at next birthday), the total premium = \$195 + \$44 = \$239

The Total Distribution Cost of this product is 55.5% of the additional private insurance premium for the first year and 5.5% of the additional private insurance premiums for renewal years. Total Distribution Cost is each year's expected distribution-related costs, without interest. Such costs include cash payments in the form of commission, costs of benefits and services paid to the distribution channel. Please note that the Total Distribution Cost is not an additional cost to you; it has already been allowed for in calculating your premium.

The product conditions – what you need to know

This is only a brief summary of the product. Please read the policy contract for the actual terms, conditions and exclusions of this product. Please contact your adviser if you have more questions.

Eligibility

The applicant must be aged 16 and above. Both applicant and insured must be a

- Singapore Citizen;
- Singapore Permanent Resident; or
- foreigner who has an eligible valid pass with a foreign identification number (FIN).

Using Medisave

Premium payments by Medisave are governed by the relevant Medisave regulations.

Pro-ration factor, deductible and co-insurance

If the insured is admitted into a ward and medical institution that is higher than what they are entitled to, we will only pay the percentage of the reasonable expenses for necessary medical treatment of the insured using the pro-ration factor that applies to the plan. The deductible is that part of the benefit you are claiming that you must pay before we will pay the benefit. The amount of deductible depends on the actual ward you are admitted to. The co-insurance is that percentage share that you need to pay after the deductible.

Start of cover

We will start the cover after we have approved your application, and full premium payment is received by Income. The start date of the plan will be shown in the Policy Certificate.

Pre-existing illness, disease or condition

Pre-existing illness, disease or condition means any illness, disease or condition:

- for which the insured asked for or received treatment, medication, advice or diagnosis (or which they ought to have asked for or received) before the start date or the last reinstatement date (if any), whichever is later;
- which was known to exist before the start date or the last reinstatement date (if any), whichever is later, whether or not the insured asked for treatment, medication, advice or diagnosis; or
- the conditions or symptoms of which existed before the start date or the last reinstatement date (if any), whichever is later, and would have led a reasonable and sensible person to get medical advice or treatment.

Terms of renewal

We will automatically renew the cover if you pay the premium within 60 days from the renewal date of the policy, based on the insured person's age on their next birthday.

Guaranteed renewal

We will renew your policy automatically every year. We guarantee to do this for life as long as the premium is paid at the current rate which applies; and the cover for the insured under your policy has not been ended.

Changing the terms and conditions

We may change the terms and conditions of the policy contract at any time by giving you 30 days' written notice to your last-known address.

Change in premium

The premium that you pay for the plan may change. We will give you 30 days' written notice of any change in premium to your last-known address. However, any change in the premium will apply to all policies within the same class of IncomeShield Standard plan.

Changing the plan

If you ask to change the plan, we will tell you the start date of the new plan if we approve your request.

Upgrading or switching of plan

You can only have one Integrated Shield Plan. Once this policy commences, your previous Integrated Shield Plan (if any) will be automatically terminated. Where applicable, your health will be assessed by us. If you are not in good health, we may

- decline your application; or
- not provide you with certain benefits

If you are currently holding an Integrated Shield Plan with us and are upgrading your plan, you may not be given the enhanced benefits due to your existing medical conditions.

If you are currently holding an Integrated Shield Plan with another insurer and are switching to this plan with us, and you have existing medical conditions that are currently covered by the existing plan, you may lose coverage for your existing medical conditions.

Downgrading of plan

In the event that you cannot afford, or do not wish to continue paying the premiums for your Integrated Shield Plan, you can switch to a lower coverage but more affordable plan with us (if available), or cease your Integrated Shield Plan. If you are a Singapore Citizen or Permanent Resident, regardless of your decision, you will continue to be covered by MediShield Life for life without any exclusion.

Free-look

We will give you 21 days from the time you receive your policy to decide whether you want to continue with it. If you do not want to continue you may write to us to cancel your policy and get a refund of your premium paid. We consider that the policy has been delivered (and received) seven days after we post it.

Cancellation

You may cancel the IncomeShield Standard plan by giving us 30 days' written notice. If you are a Singapore Citizen or Permanent Resident, even though you have terminated your IncomeShield Standard Plan, you will continue to be covered under MediShield Life, which is a basic healthcare insurance that helps to pay for large hospital bills and expensive outpatient treatments such as dialysis and chemotherapy. For more details, please visit www.medishieldlife.sg.

Ending the policy

All benefits will end when one of the following events happens, and we will not be legally responsible for any further payment under your policy.

- a After we received your written notice to cancel the policy and upon the cancellation date of the policy as determined by us.
- b We do not receive your premium after the period of grace.

- d You fail or refuse to pay or refund any amount you owe us.

Product summary: Daily Cash Rider

Product information

The rider adds to the IncomeShield Standard plan by providing cover for hospitalisation. It can be taken up only if the insured person is covered under the IncomeShield Standard Plan.

If an insured person needs hospitalisation in Singapore as a result of an accident or an illness, we will pay a Daily cash benefit of \$50 a day, up to 365 days (in one or more policy years) for the same accident or illness from the same confirmed diagnosis, of which any stay in a community hospital must not be more than 45 days. We will not pay this benefit for day surgery in clinics.

We will also pay the Get-well benefit of \$100 (but no more than one payment for the same accident or illness from the same confirmed diagnosis).

Benefits we will pay

a) Daily cash benefit

We will pay the daily cash benefit for hospitalisation in Singapore as a result of an accident or an illness. This will depend on the following.

- The start date of hospitalisation must be before the end of the policy year in which the insured person reaches age 85.
- Room and board charges are made by the hospital.
- Apart from hospitalisation as a result of an accident, the start date of hospitalisation must be 30 days after the start date.
- We will not pay more than one day's worth of the daily cash benefit for each day the insured person is in hospital.
- The total number of days in hospital arising from the same accident or illness from the same confirmed diagnosis must not be more than 365 days (whether within one or more policy years), of which any hospitalisation in a community hospital must not be for more than 45 days.
- If the insured person has been discharged from hospital for more than 90 days, we will treat any further hospitalisation for the same accident or illness from the same confirmed diagnosis as arising from a separate or different accident or illness.

b) Get-well benefit

If the insured is entitled to the daily cash benefit, we will also pay the get-well benefit up to one payment for the same accident or illness from the same confirmed diagnosis. The following will apply.

- If the insured person has been discharged from hospital for a continuous period of more than 90 days, we will treat any further stay in hospital for the same accident or illness from the same confirmed diagnosis as arising from a separate or different accident or illness.
- Apart from hospitalisation arising as a result of an accident, the start date for the hospitalisation will be 30 days after the start date.

We will not pay the get-well benefit if:

- the insured person dies while in hospital; or
- the insured person is in hospital for less than 48 hours.
