

Checklist for policy loan application

Dear policyholder

We understand that you would like to take a policy loan. In order for us to process your loan request, please read through this checklist and return us all the documents required.

Important notes

Only one policy loan (minimum amount is \$100) is allowed per policy per day. You may choose to receive a crossed cheque or direct credit to your bank account. You will receive your preferred form of payment within six working days from the time we receive your completed documents.

As information provided to you (on the maximum loan available) is relatively fast moving, it may have changed by the time we receive your loan application. In situations where your policy's cash values are not sufficient for us to process your loan, we will process it based on the next available amount your policy can accommodate.

A confirmation letter will be sent to you when the loan is taken. The policy loan details will also be reflected in your annual Policy Loan Statement. We will not be able to suppress any of these documents or send them to a different address. Please quote the 11-digit loan reference number shown in the confirmation letter when making any loan repayment.

For application from overseas, we would require the form to be officially witnessed by a Notary Public in that country.

How the loan affects the policy

This outstanding loan and interest will also reduce any subsequent payouts from the policy.

For policy with cash benefits payable, if the policy's cash value cannot support an existing policy loan, we will deduct from the cash benefit to make partial loan repayment. We will send you the details in a separate letter when the cash benefit is due.

For annuity policy, loan repayment amount will be deducted from each annuity instalment you are receiving. The loan repayment amount may be revised regularly. If the full annuity instalment is used to repay the loan, you will not receive any payment. The full annuity instalment amount will be paid to you only when the loan is fully repaid.

If the loan amount with interest exceeds the cash value of your policy, your policy may be terminated. Hence, you are encouraged to monitor your policy and repay your policy loan as soon as possible to reduce the interest charges on your policy loan.

Documents required

1. Loan agreement form (one form per policy)
2. Personal identification document
3. Copy of bank book or recent bank statement showing your name, bank name and account number (if you opt for direct crediting to your **personal** bank Account. You need to circle the account for crediting if your statement shows more than 1 bank account)

Please provide the following personal identification document for verification purposes.

For Singaporean or Singapore permanent resident, we would require a clear copy of your NRIC (front and back).

For foreigner staying, studying or working in Singapore, we would require a clear copy of:

- Passport showing validity dates, passport number, photograph, nationality, date of birth and name; and
- Singapore employment pass, S pass, work permit, student pass or dependent's pass (front and back); and
- Any document showing your name and address, e.g. utility bill, phone bill (must be issued within the last 6 months).

The passport, passes or permits must be valid for at least 6 months.

POLICY LOAN AGREEMENT

This agreement is made between Income and the borrower specified in the schedule.

In consideration of the amount specified in the schedule lent by Income, the borrower agrees to these terms and conditions.

1. Income will be entitled to take away all loans and their interest from any amount we may be due to pay under the policy listed in the schedule.
2. The interest charged on the loan will start on the date you applied for this loan, and will be based on the rate agreed in the schedule. Income may change the interest rate at any time by giving you 30 days' notice. Interest is calculated daily and unless it is repaid by 31st of December each year, it will be added to the loan principal and incur further interest.
3. The borrower may repay all or part of the loan at any time. However, if at any time the amount of the loan and interest is more than the cash value of the policy listed in the schedule, the policy will end.
4. Income will consider any statement or notice provided by us under this agreement to be correct unless we receive a notice to the contrary within 21 days.
5. All terms and conditions of the policy will continue to apply unless specifically amended by this agreement.

2 Important notes

I understand that there are some possible disadvantages if I proceed with this application. I may be losing valuable benefits and may not be able to achieve my intended financial objective. It may not be possible for me to obtain a similar level of protection on the same terms in the future. Buying another policy in the future could result in higher premiums and loss of specific policy features due to changes in age or health.
