## Conditions for Gro Cash Plus

### Your policy

This is a regular premium whole-life plan with a **policy term** that lasts until the **anniversary** immediately after the original insured's 120<sup>th</sup> birthday. **You** only need to pay premiums for a limited term.

**We** will start paying a cash benefit at the end of the **premium term**. **We** will also pay a maturity benefit at the end of the **policy term**.

**We** will also pay a benefit if the insured becomes **terminally ill** or dies during the term of this policy and a secondary insured is not appointed.

**You** may cash in this policy. However, this policy is designed to provide the best value in the long term, so **you** should consider this carefully. **We** recommend that **you** get financial advice.

### 1 What your policy covers

#### a Terminal Illness and Death benefit

If the insured becomes **terminally ill** or dies during the term of this policy, **we** will pay the sum of:

1. the higher of:
  - 105% of all **net premium(s)** paid; or
  - the guaranteed portion of the **cash value**, and
2. a terminal bonus.

**We** will pay the **cash value** if it is higher than the sum calculated above.

**We** will also pay any cash benefits and cash bonuses which have built up, including any interest earned, until then.

**We** will take any policy loan and interest from the benefit amount **we** will pay.

If **you** choose to receive the cash benefit in monthly payments, **we** will also pay the remaining monthly cash benefit payments and cash bonuses for the policy year that **we** have not paid **you**.

This policy will end when **we** make this payment. **We** will not pay any further benefits.

If **you** have appointed a secondary insured before the insured dies, **we** will not pay this benefit. Upon the death of the insured, the secondary insured becomes the insured and this policy will continue.

## **b Cash benefit**

If the insured survives at the end of the **premium term**, and if all premiums for this policy have been paid for, **we** will start paying the cash benefit at the end of the **premium term**.

Each yearly cash benefit is dependent on the policy entry age of the **original insured** based on the percentage of the **sum assured** shown in Table 1. **We** pay the yearly cash benefit every year as long as the insured is still alive and this policy has not ended.

**Table 1**

| <b>Entry Age</b> | <b>% of Sum assured</b> |
|------------------|-------------------------|
| 0 - 9            | 1.78%                   |
| 10 - 19          | 1.80%                   |
| 20 - 29          | 1.80%                   |
| 30 - 39          | 1.85%                   |
| 40 - 49          | 1.85%                   |
| 50 - 59          | 1.85%                   |
| 60 - 69          | 1.38%                   |
| 70 - 72          | 0.98%                   |
| 73 - 75          | 0.40%                   |

If the **sum assured** of this policy is at least S\$80,000, **you** can choose to receive the yearly cash benefit in monthly payments. **We** will work out the amount of each monthly cash benefit payment.

If the insured survives at the end of the **policy term** and this policy has not already ended, **we** will pay the final yearly cash benefit (as shown in Table 1) and the cash bonus as a lump-sum with the maturity benefit. This policy will end when **we** make this payment.

## **c Maturity benefit**

If the insured survives at the end of the **policy term** and this policy has not already ended, **we** will pay the **cash value**.

**We** will also pay any cash benefits and cash bonuses which have built up. **We** will take any policy loan and interest from the benefit amount **we** will pay.

This policy will end when **we** make this payment.

## **d Secondary insured option**

**You** may appoint or remove a secondary insured before the death of the insured provided the following conditions are met:

- the premium of this policy is paid only with cash;
- no nomination of beneficiary has been made for this policy; and

- there is no change to the ownership of this policy including assignment, bankruptcy and trust.

The secondary insured must be yourself (before the age of 65 years old), your spouse (before the age of 65 years old), or your child or ward (before the age of 18 years old) at the time of exercising this option.

**You** can exercise this option to appoint a secondary insured no more than three times.

The secondary insured becomes the insured of this policy only upon death of the insured for the remaining **policy term**. This policy can only have one insured at any point of time.

## e Guaranteed insurability option

If the **original insured** experiences a **life event**, they may choose to take up a new policy with only death and **total and permanent disability (TPD)** benefits on their own life, without **us** having to assess their health. **We** will limit the **sum assured** for the new policy to 50% of the **sum assured** for this policy, or S\$100,000, whichever is lower. The **original insured** must meet all the following conditions to take up this option.

- The **original insured** must take up this option within three months after the date of their **life event**.
- The **original insured** must not be **totally and permanently disabled**, or be diagnosed with an **advanced-stage dread disease** at the time of taking up this option.
- The **original insured** must be 50 years old or under at the time of taking up this option.
- The **life event** must have taken place no earlier than 12 months after the **cover start date** of this policy.
- At **our** request, the **original insured** must provide to **our** satisfaction, documentary proof of a **life event**.

The **original insured** can take up this option no more than two times. Each time the **original insured** takes up this option, it must be on a different **life event**.

If **we** have added any special terms to this policy (such as extra exclusions or an increased premium), **we** will also add these terms to the new policy which the **original insured** takes up.

## 2 Our responsibilities to you

### a Bonus

**You** have bought a participating policy from **us** and it forms part of the Life Participating Fund. This policy will share in the profits and losses from this fund, as **we** add bonuses. There are two types of bonuses.

- **We** may pay a 'terminal' bonus at the time of making a claim, when **we** pay **you** the maturity benefit (if applicable), or if **you** cash in this policy.
- **We** may pay a cash bonus on top of each cash benefit, by applying a bonus rate to the **sum assured**.
- **We** may or may not pay this cash bonus for each policy year.

These bonuses are not guaranteed. They are recommended by **our** appointed actuary and approved by **our** board of directors.

## **b** Cash benefit

**You** can choose to use the cash benefit in any one of the following ways.

- Place it in a deposit account to earn interest at a rate **we** will set.
- Receive it as a payout.

Before the first cash benefit is due, **we** will write to **you** to remind **you** what **you** chose.

If **we** do not receive your instruction from **you** at least 30 days before the first cash benefit is due, **we** will go ahead with your original wishes.

**We** will then follow this same choice for the later cash benefits, unless **you** tell **us** your choice at least 30 days before the next cash benefit is due.

**You** cannot change the frequency **you** receive the cash benefit (yearly or monthly) after the first cash benefit is paid out.

If **we** pay a cash bonus on top of a cash benefit, **we** will treat the cash bonus and its cash benefit as one cash benefit.

## **c** Deposit account

**We** will apply the following conditions if **you** place the cash benefit in a deposit account.

- The cash benefits that stay in this account will earn interest at a rate **we** set. **We** may change the interest rate at any time by giving **you** 30 days' notice.
- **You** may top up this account with the cash benefits that are due. **You** cannot top up this account with any other money, including past cash benefits which were not placed in this account.
- **You** may withdraw the amount in your deposit account at any time without having to pay any withdrawal charges. However, **we** may decide on a minimum amount for each withdrawal.
- **You** will not pay any other charges or fees on this account.
- If this policy comes to an end, **we** will pay any amount in your deposit account and **we** will close this deposit account.

## **d** Cash value

**You** may choose to cash in this policy fully or partially. Your policy will end after **you** cash in this policy fully.

When **you** have been paying premiums for this policy for at least two years, **you** may cash in this policy for its **cash value**.

At the end of the **premium term**, if **you** did not cash in this policy and all premiums for this policy have been paid for, the guaranteed **cash value** for this policy is equal to total premiums paid excluding premiums paid on riders.

If **you** choose to cash in this policy partially, the **sum assured** after the partial cash payout cannot be less than the minimum **sum assured** limit or any other amount **we** may tell **you** about. **We** will use the new **sum assured** and reduced regular premium amount excluding premiums paid on riders to work out the guaranteed **cash value** (if any) from the **policy entry date**.

**We** may review and change the way **we** work out the **cash value**.

**You** cannot convert this policy to a **paid-up** policy.

## e Loans

**We** may grant the loan to **you** from this policy depending on **our** terms and conditions. **We** will take all loans and their interest from any amount **we** may be due to pay under this policy. If at any time the amount of the loans and interest is more than the **cash value**, this policy will end.

**You** may repay all or part of the loan at any time. The interest charged on the loan will be based on the rate agreed at the time **you** took the loan. **We** may change the interest rate at any time by giving **you** 30 days' notice.

## 3 Your responsibilities

**You** will pay your first premium at the time **you** apply for this policy. **You** will then pay future premiums when they are due. **You** will have 30 days as a period of grace to make these payments for this policy to continue. If **we** are due to pay any benefits during this period, **we** will take off any unpaid premiums from the benefits.

If **you** still have not paid the premium for this policy or any of its riders after the period of grace, **we** will pay the premiums on your behalf so this policy and its riders can continue. **We** will only do this if this policy has enough **cash value** to repay them. **We** treat this as a loan (called an automatic premium loan) and charge **you** interest. If there is not enough **cash value**, this policy and its riders (if any) will end.

**We** will take these loans and interest from any amount **we** may be due to pay under this policy. If at any time the amount of the loans and interest is more than the **cash value**, this policy and its riders (if any) will end.

If this policy and its riders (if any) end because there is not enough **cash value**, **you** can reinstate this policy and its riders (if any) within 36 months by paying the premiums **you** owe along with interest. This applies as long as **you** give **us** satisfactory proof of the insured's good health and there is no change in the risks covered by this policy. However, if **we** do not ask for the insured's health declaration or medical checks at the time of application, then **you** need not give **us** satisfactory proof of the insured's good health.

## 4 What you need to be aware of

### a Suicide

This policy is not valid if the insured commits suicide within one year from the **cover start date**.

**We** will refund the total premiums paid, without interest, less any amounts **we** have paid **you**, and any amount **you** owe **us**, from the **cover start date**.

### b Terminal illness benefit

**We** will not pay this benefit if your claim arises from:

- deliberate acts such as self-inflicted injuries, illnesses or attempted suicide;
- unlawful acts, provoked assault, or deliberate exposure to danger; or
- the effects of alcohol, drugs or any dependence.

### c Making a claim

To make a claim for death benefit, **we** must be told of the claim and all relevant documents to support the claim must be given within six months after the insured's death.

If this policy provides for accidental death or accidental total and permanent disability (TPD) benefit, **we** must be told of the claim and all relevant documents to support the claim must be given within thirty days after the insured's death or TPD. If **we** are not told of the claim or have not received all relevant documents within thirty days, **we** will not reject the claim if **we** deem that **you** have a valid reason for the delay. **You** must also show that **you** have told **us** and given all relevant documents to support the claim to **us** as soon as reasonably possible.

To make a claim for other benefits, **we** must be told of the claim and all relevant documents to support the claim must be given within six months after the diagnosis or the event giving rise to the claim. If **we** are not told of the claim or have not received all relevant documents within six months, **we** will not reject the claim if **we** deem that **you** have a valid reason for the delay. **You** must also show that **you** have told **us** and given all relevant documents to support the claim to **us** as soon as reasonably possible.

If **we** are not told of the claim or have not received all relevant documents for any of your above claim within two years from the date of the event giving rise to the claim, **we** will not pay the claim.

When **we** pay a claim, **we** will not refund any premiums that have been paid.

#### **d Refusing to pay a claim**

After **you** have been continuously covered for two years from the **cover start date**, **we** will pay your claim unless:

- it is a case of fraud;
- **you** fail to pay a premium;
- the insured has a **material pre-existing condition** which **you** did not tell **us** about when **you** applied for this policy or rider if health declaration is required;
- **you** or the insured fail to tell **us** any significant information or information which is true, correct and complete which would have reasonably affected **our** decision to accept your application; or
- the claim is excluded or not covered under the terms of this policy or rider.

#### **e Transferring the legal right of the policy**

**You** cannot assign (transfer) this policy unless **you** tell **us** in writing and **we** agree to the assignment.

#### **f Excluding third-party rights**

Anyone not directly involved in this policy cannot enforce it under the Contracts (Rights of Third Parties) Act 2001.
