## General conditions which apply to the whole policy

### 1 Insuring your building, renovations, contents, and personal belongings for the correct amount

You must insure **your building, renovations, contents, and personal belongings** for an amount that represents the full replacement value.

- (a) For **building and renovations** this is the estimated cost of rebuilding or reconstruction if the building and **renovations** were completely destroyed. This may not be the market value.
- (b) For **contents and personal belongings** this is the cost to replace the item on a like-for-like basis, without depreciation or wear and tear, based on current market prices.

If you do not insure **your building, renovations, contents, and personal belongings** for the right amount, **we** will consider that **you** have **under-insured** them.

### 2 Under-insurance

- a For **under-insurance** of **buildings, renovations, or contents** cover, **you** are responsible for a share of the loss or damage.

**We** work out the percentage based on the difference between the benefit limits or sum insured as listed in **your schedule** and the total actual replacement cost of **your building, renovations, or contents** at the time of the loss or damage calculated as follows:

Full and actual replacement cost of <b>building, renovations, and contents</b>	–	Benefit limit of <b>building, renovations, and contents</b> as shown in your schedule
Full and actual replacement cost of <b>building, renovations, contents and belongings</b>		

#### For example

Benefit limit of **building and renovations** cover shown in **your schedule**: \$1,500,000

Benefit limit of **contents** cover shown in **your schedule**: \$100,000

Full and actual replacement cost of **building and renovations** at the time of loss: \$2,000,000

Full and actual replacement cost of **contents** at the time of loss: \$150,000

**Your** share of insurance for **building and renovations** is 25% (\$500,000/\$2,000,000)

**Your** share of insurance for **contents** is 33.3% (\$50,000/\$150,000)

If there is a loss of or damage to the **building or renovations** at \$240,000 and to the **contents** at \$60,000, the following will apply.

**You** will be responsible for paying \$60,000 (25% of \$240,000) to repair, replace or reinstate the **building or renovations** and \$20,000 (33.3% of \$60,000) to repair or replace **your contents**. **We** will pay \$180,000 to repair, replace or reinstate the **building or renovations** and \$40,000 to repair or replace the **contents**.

- b For **under-insurance** of **contents** or worldwide **personal belongings** cover, **we** will also deduct an amount for wear and tear or depreciation.

### 3 Average relief (Waiver of under-insurance)

If at the time of loss or damage under section 1, 2 or 3, the sum insured under each respective section is at least 80% of the full and actual reinstatement or replacement cost, **we** will not consider **you** to be **under-insuring** the respective sections: **building, renovations, contents** and worldwide **personal belongings**.

For a **policy** with a monthly **recurring payment arrangement**, before we can pay the claim, we will first take from the claim amount any premium owed to us for the rest of the **policy year**.

## 11 Paying an extra premium to reinstate benefit limits after loss or damage

If you claim for loss or damage under section 1, 2, 3 or 4, we will reduce the maximum benefit limits for each section by the actual amount of the claim that we pay. We will put these limits back to the original limits as shown in the **schedule** at the start of the next **12-month period of the policy** or, you can ask us to reinstate the benefit limits for the current **12-month period of the policy** by paying an extra premium but this will depend on whether we accept your request.

### For example

Start date of Insurance: 1 January 2021

End date of Insurance: 31 December 2024

Benefit limits of **building** and **renovations** cover shown in your **schedule**: \$2,000,000

Benefit limits of **contents** cover shown in your **schedule**: \$300,000

If there is a loss of or damage to the **building** or **renovations** at \$500,000 and to the **contents** at \$200,000, we will reduce the benefit limits for the year ending 31 December 2021 to the following.

**Building** and **renovations**: \$1,500,000

**Contents**: \$100,000.

You can reinstate the benefit limits by paying an extra premium for the rest of the **policy** period ending on 31 December 2021.

We will automatically reinstate the benefit limits to the original amount from 1 January 2022 at no extra premium.

## 12 Misrepresentation

We will treat this **policy** as void if you misrepresent any information which may affect our decision to accept your application.
