

# Money Market Fund

## Investment Objective

To achieve a return that is better than short-term cash deposits while maintaining liquidity and security of capital.

## Investment Scope

This sub-fund invests mainly in good quality money market instruments and short-term bonds which include bank deposits, government and statutory board securities, certificates of deposit and corporate bonds. Non-SGD denominated investments, if any, will be hedged to SGD. The sub-fund may be suitable for investors seeking for yield enhancement to their SGD deposit. Do note that the purchase of a unit in the money market fund is not the same as placing funds on deposit with a bank or deposit-taking financial institution. The sub-fund is denominated in Singapore Dollars.
