Coverage for pre-existing medical conditions

We are the first insurer in Singapore to offer a travel insurance policy that protects you against your pre-existing medical conditions⁴. Pre-existing medical conditions includes any known injury or sickness before you travel such as asthma and diabetes.

All Enhanced PreX plans offer coverage for all ages, from the young to the old. This includes coverage for children suffering from medical conditions such as asthma and eczema, to adults with hypertension and even elderly diagnosed with diabetes.

Coverage for overseas medical expenses

We understand that the last thing on your mind is to be in bed all day long on a holiday due to any sickness or relapse. After all, holidays are meant to be fun and filled with activities. This is why we provide coverage for overseas medical expenses² so that you can seek professional treatment, recover soon and get back on your feet to enjoy your holiday experience to the fullest.

In times of emergency, you and your loved ones can get the best treatment possible, without worrying about hefty medical bills overseas.

Convenience with Yearly plans

Opt for Yearly Enhanced PreX plans to enjoy the same coverage as the corresponding single trip plan type with greater convenience so you can satisfy your wanderlust by travelling at your comfortable pace without the hassle of buying a new travel insurance plan before every holiday⁵.

One plan for all your travel insurance needs

Enhanced PreX plan is a one-stop travel insurance plan that allows you to enjoy comprehensive coverage so you don't have to purchase another travel insurance plan for all other benefits not relating to pre-existing medical conditions such as travel delays³ and personal accident.

What's more, you can still get coverage for your trip even before you travel. In the event that your holiday is cancelled due to unforeseen circumstances like serious injury⁶, you can be protected against paying for a holiday that didn't happen.

Travel companions with pre-existing medical conditions

Travelling with family and friends are always worth looking forward to but what if you have to cancel your trip due to a relapse of their pre-existing medical condition? You can either continue with the planned holiday without them or stay in town so you can look after and nurse them back to pink of health. If you choose to be with them by cancelling your trip, Enhanced PreX Superior and Prestige plans provide you with the benefit for such unforeseen events.

Case Study:

Mr Tan and his parents, Grandpa Tan and Grandma Tan have planned for a trip to Japan and paid \$5,000 each for their flight and accommodation. One week before the trip, Grandpa Tan suffered a heart attack due to hypertension and was hospitalised in the ICU. For Grandpa Tan's safety, the trip was cancelled.

Choice of different plan types

There are 3 Enhanced PreX plans to choose from, allowing you to find one that best suits your individual needs. Enhanced PreX Basic plan offers basic coverage for your medical expenses resulting from your pre-existing medical conditions while you are overseas. Even though Enhanced PreX Basic plan does not provide coverage for travel inconvenience claims arising from pre-existing medical conditions, the plan still covers such claims that are not related from pre-existing medical conditions. For instance, if you cancel your trip due to natural disasters in your holiday destination and not situations resulting from pre-existing medical conditions.

For added coverage other than medical benefits, opt for Enhanced PreX Superior plan or Enhanced PreX Prestige plan which covers you in the event where you have to make changes or cancel your holiday plans due to your pre-existing medical conditions.
