

# Global Diverse Series-Balanced

Monthly Fund Factsheet  
as of 31 December 2024

## Investment Objective

The sub-fund aims to provide investors with medium to long-term capital growth by investing globally in a diverse set of asset classes including equities, bonds and other asset classes that include but are not limited to property and commodities-related securities indirectly through CIS, ETFs and/or similar instruments.

## Investment Scope

The sub-fund helps investors gain exposure to a broad range of asset classes by investing primarily in collective investment schemes (CIS) and/or exchange traded funds (ETFs), which in turn invest in quoted equities and equity-related securities, bonds and other fixed income securities in global markets. The sub-fund may also seek exposure to other asset classes, including but not limited to property and commodities-related securities indirectly through CIS, ETFs and/or similar instruments.

### IMPORTANT NOTES

The Global Diverse Series-Balanced Fund is an Investment-Linked Plan (ILP) fund issued by Income Insurance Limited (Unique Entity Number No. 202135698W), an insurance company registered in Singapore and having its registered address office at 75 Bras Basah Road, Income Centre, Singapore 189557. The information in this fund summary is for informational use only. A product summary relating to the fund is available and may be obtained through Income. A potential investor should read the product summary before deciding whether to subscribe for units in the fund. Investments are subject to investment risks including the possible loss of the principal amount invested. The sub-fund shall comply with the investment guidelines as set out in the Code of Collective Investment Schemes, CPF Investment Guidelines, internal investment restrictions, relevant laws and regulations. Past performance, as well as the prediction, projection or forecast on the economy, securities markets or the economic trends of the markets targeted by the fund are not necessarily indicative of the future or likely performance of the fund. The fund returns are calculated on the assumption that all dividends and distributions are reinvested, taking into account all charges which would have been payable upon such reinvestment. The performance of the fund is not guaranteed and the value of units in the fund and the income accruing to the units, if any, may fall or rise. Any opinion or estimate contained in this document is subject to change without notice.

Information correct as of 31 December 2024
